

The National Little Britches Rodeo Association (NLBRA) is one of the oldest youth rodeo associations in the world, with membership from kids ages 5-18 all over the United States. Western Kentucky Little Britches Rodeo Association is a non-profit franchise of the NLBRA. We are able to offer the talented children and youth of our association to compete not only at a local level, but also at a national level at the National Little Britches Rodeo Association Finals that are held in Guthrie, OK every July.

We not only want to promote the sport of rodeo in our youth, but also support the development of good character including good sportsmanship, proper livestock management, and the importance of community involvement. We strive to produce family friendly events with quality livestock in an environment that promotes healthy competition.

Last year we had a record breaking year with over 180 members. We have 3 nationally sanctioned divisions: Little Wrangler, Junior, and Senior. We also have a division for kids 6 and under that provides an opportunity for them to begin to prepare and gain confidence in their rodeo abilities for when they are eligible to join the NLBRA. We have 6 rodeo weekends scheduled in Murray, Kentucky this season with the first one in September and the final one in February. Many of our contestants reside in Kentucky, but we also have members from Indiana, Illinois, Tennessee, Alabama, and Michigan.

All of the contestants that join our association will be eligible for year-end awards including saddles for All-Around winners, buckles, tack, etc. This year we will continue to offer saddles to the winners of every event if they are sponsored and to the All-Around winners. If you add that all up, that is 38 saddles, not to mention other awards. Last year we were able to give away 17 saddles and we hope to increase that number this year. If you haven't ever experienced a child winning their first saddle, you need to!

Of course, none of this is possible without the support of friends, family, and our community. Please review the sponsorship packages below. Any level of support is appreciated and will be applied directly towards awards for our members.

Sincerely,

Shawn & Jennifer Loehr
